The Court orders that these appeals are CONSOLIDATED to advance the efficient administration of the appellate process. The Court further orders that the motions to remand pursuant to MCR 7.211(C)(1) are GRANTED. These matters are REMANDED to the trial court to allow defendant-appellant to move to withdraw or modify his pleas and/or move for resentencing. The proceedings on remand are limited to the issues raised in the motions to remand. The Court retains jurisdiction and the time for proceeding with the appeals in this Court shall begin to run upon issuance of orders in the trial court that dispose of the post-conviction proceedings.

Defendant-appellant shall file with the Clerk of this Court a copy of any motion and supporting brief filed in the trial court within 14 days after the Clerk's certification of this order and copies of all orders entered on remand within 14 days after entry.

The trial court shall hear and decide the matters within 56 days of the Clerk's certification of this order. The trial court shall make findings of fact and a determination on the record and cause a transcript of any hearing on remand to be prepared and filed within 21 days after completion of the proceedings.

Defendant-appellant may file supplemental briefs pertaining to the issues raised on remand within 21 days after entry of the trial court's order deciding the matter or 21 days after the transcript of the hearing is filed, whichever is later. Appellee may file supplemental briefs in response.

The time for proceeding with the appeals shall begin to run 14 days after the date this order is certified if the motion to initiate the post-conviction proceedings is not filed in the trial court within that 14-day period.
